

Legislature, the time the bill was in committee, the question of what would happen if the drinking age were raised became a matter of concern to the committee. So we amended the bill to provide that in the event the drinking age was raised to 21 and if a minor wished to get a new license to demonstrate their age that they could do so by paying for the price of a replacement license. That's all the committee amendments do. I move the adoption of the amendments.

PRESIDENT: Is there discussion on the committee amendment? Senator Chambers.

SENATOR CHAMBERS: I have an amendment to the committee amendments.

PRESIDENT: There is an amendment to the committee amendment on the desk.

CLERK: Mr. President, Senator Chambers would move to amend the committee amendments by striking the new language and reinstating the stricken language found in subsection (3).

SENATOR CHAMBERS: Right.

PRESIDENT: Senator Chambers.

SENATOR CHAMBERS: Mr. President and members of the Legislature, this is the part of the bill that the committee amendment deals with. I want to strike that new language. Here's what the new language does and I hope you all will listen to it and we won't have to repeat it over and over.

PRESIDENT: (Gavel.)

SENATOR CHAMBERS: The new language is an attempt to accommodate liquor sellers by putting an additional burden on the licensing system of the state. The purpose is to put a different color background on the driver's license of people under 20 to convenience the liquor sellers, then when a person reaches the age of 20, he or she must pay the cost of a replacement fee to get a license with the same
